

## GET TO KNOW Your Event App

### EDIT YOUR PROFILE

Your organizer may send you an email to enable you to self-edit your speaker profile.

Open the Self-Edit Email.

**EDIT MY PROFILE**

Click the Edit My Profile button.

**UPDATE**

Update your information in the app.

### ASK A QUESTION

Ask a Question allows attendees to submit questions via the app for you to answer during your Q&A session.

#### MODERATING Q&A SESSIONS

If moderation is enabled, the organizer will give you a URL to view during your Q&A session.

*Note: Questions cannot be edited or deleted.*

**HIDE**

Click the Hide button to hide questions from public view.

**SHOW**

Click Show to have it show again.

### NETWORK WITH ATTENDEES

In addition to your speaker profile, you may add yourself as an attendee to the app to use the features available only to attendees.

Login to the app.

Fill out the details into your Profile. This will allow you to message other attendees and participate in Group Discussions when available.

### LOGIN TO THE APP

Enter the Event App URL into your Browser.

OR

Download the Event App from any app store as available.

To Login click this icon in the top right corner of the app.

Enter your email address.
